-  1-888-502-2236 | Mon-Fri 9:00-5:00 PST (US)

Warranty

The product is covered by a limited warranty from Jackery for the original purchaser that covers the product from defects in workmanship and materials for 24 months from the date of purchase (damages from normal wear and tear, alteration, misuse, neglect, accident, service by anyone other than authorized service center, or act of God are not included).

During the warranty period and upon verification of defects, this product will be replaced when returned with proper proof of purchase.

Frequently Asked Questions

Q: What kind of battery can be charged by these solar modules?

- 1, Jackery Explorer series
- 2, Sealed lead-acid battery
- 3, Colloidal lead-acid batteries
- 4, The open lead-acid batteries

Q: How to clean the solar surface?

Dust and dirt on the surface should first be removed using a soft brush. Use a damp cloth to wipe the surface of the solar module to remove any remaining dust or dirt. Any guano or other adhesive should be removed as soon as possible from the solar surface to avoid a reduction in performance.

Q: Are the foldable solar modules waterproof?

To Maximize the lifespan of the module, it should not get wet.
